I wish to submit a new manuscript entitled **A Survey of ICT Integration in South African Schools** for consideration by the South African Computer Journal (**Special Issue on ICT in Education**)

I confirm that this work is original and has not been published elsewhere nor is it currently under consideration for publication elsewhere.

The aim of this paper is to determine the extent of ICT usage in South African schools in order to obtain an understanding of the practical enforcement of ICTs at school level.

Thank you for your consideration of this manuscript.

Sincerely,

Keshnee Padayachee
